Career History

2017 May - Present Australian Paper

CSR - Major Accounts/Logistics Agent

- Building and maintaining relationships with major customers such as Coles and Woolworths
- Placing purchase orders and overseeing complete order deliveries
- Monitoring product stock levels at multiple warehouse locations across Australia

2016 Mar – Mar 17 EF Corporate (Chongqing, China) Adult Teacher and Business Lecturer

- Responsible for preparing and executing one on one and large group English classes
- Lectured business classes in English to industry professionals from companies such as Deloitte and Changan Motors for the EF corporate division
- Prepared staff from Chinese companies for western working conditions and policies before business trips abroad

2014 Oct - Jan 16 Colcott Livestock Cambodia (Kampong Chhnang, Cambodia)

Company owner

- Self-designed and managed a western-standard, commercial piggery
- Employed and managed several local staff to carry out the day to day operations of the farm
- Negotiated with purchasing companies and marketed produce from my company to be sold in local retailers around Cambodia
- Researched and designed own brand of animal feeds to meet the dietary requirements of each animal at a fraction of the cost of commercially available feed
- Created and maintained excellent relationships with local authorities to allow business transactions to excel
- Managed to convey design ideas and construction plans to local contractors with very limited English communication
- Successfully converted undeveloped rural land into a profitable business

2014 Apr – Sept Birman & Ride Lawyers

Business Development Manager

- Completed real estate settlement services for a number of clients simultaneously
- Reviewed official contracts for the purchase and sale of commercial and residential properties
- Met with prospective real estate agents and clients to develop new business partnerships
- Consistently sought new ways to expand the new division of settlement services
